Earning Credits in Class:

You will earn credits in this class based on your production. Each unit in APEX is equivalent to one credit. Students must score at least 60% in each unit to earn the credit. Students can earn up to but no more than 10 credits per quarter.

Attendance: Students must work at least 45 minutes per day to be marked present. Your instructor will be available in the Google hangout during your assigned class times for any assistance you may need.

Extra credit: N/A

Make-up work: If students miss the assigned class time that day they can still log in and work for at least 45 minutes to be marked present in attendance.

Assignments: There is no homework outside of the online classes. .

Grading: Grades are based on percentages.

90-100% = A

80-89% = B

70-79% = C

60-69% = D

Below 60%= student earned no grade

Keys to success: Students have to be self motivated. The instructor will be available during class time to help students with any needs. But, students need to take responsibility and push themselves in this style of learning.
